

Town of Wilton
Coronavirus (COVID-19)
Notice to Wilton Residents

The Town of Wilton is sharing the following information to Wilton residents, in keeping with the CDC and WHO's recommendation to implement social distancing to help slow the spread of the COVID-19 virus. For your peace of mind, citizens have several options to consider when conducting some of their municipal business in Wilton. These options include:

Re-register Your Vehicle, ATV's, Trailers and Hunting & Fishing Licenses. This can be done through a link on our website. Go to www.wiltonmaine.org, and at the top of the page on the left is a "\$" sign. Click on this "\$" You will see the links to Vehicle Reregistration, ATV's Snowmobiles, Trailers and Hunting & Fishing Licenses. For vehicle reregistration's, you will need your old registration, insurance card and mileage. You will not be able to register new vehicles.

In some cases, you will need a printer. If you have questions on re-registering vehicles and trailers on-line or obtaining licenses, please give us a call at 645-4961. The Town of Wilton does not participate in the on-line Boating registrations; this will need to be done at the Town Office.

Pay Your Taxes and Water & Sewer Bills: Although we cannot accept payments online, you do have the option of mailing in your payments to the Town of Wilton, 158 Weld Road, Wilton, ME 04294. **We also have a drop box in the entryway of the Town Office where payments can be left at any time.** If you need a receipt sent to you, please include a self-addressed stamped envelope with your payment. Please also include your phone number on your payment in case there are any questions.

If you do need to come into the office, you may notice that we will be attempting to maintain a social distance while conducting business. Please do not take offense. We are trying to keep you, as well as ourselves, healthy. We will be wiping down our front counters and areas of high contact frequently. We also have hand sanitizer available on the front counter and we encourage citizens to use it. We will be doing the same behind the counter.

Recreation Department - RSU 9 has suspended use of the schools for outside activities such as the Wilton Recreation Department's. There will be no baseball/softball clinics until further notice, and no adult activities such as pickle ball, cornhole or men's basketball. We will post on Facebook and the Town's website when the Recreation Department is able to resume use of the gym.

Highway Department, Sewer Department & Transfer Station – We ask that Essential Personnel only enter our Highway Garage & Sewer Department. If you have a concern regarding road issues, please call the Town Office at 645-4961 or the Highway Garage at 645-4883. Please call the Town Office at 645-4961 for any water or sewer issues. At this point, we do not anticipate any changes at the Transfer Station, but ask that you keep a social distance from residents and personnel while at the site.

Police & Fire Services – There will be no changes by our departments to responding to Police and Fire calls, but you may notice that our personnel will be taking various precautions to protect you and themselves. If you have any concerns, please call the Public Safety Department at 645-4222. If you have an Emergency, call 911, or if you have an after-hours call and need to speak with an officer, please call Franklin County Dispatch at 778-6140.

Selectboard Meetings – Board Meetings are held the first and third Tuesday’s of each month at 6:00 pm at the Wilton Town Office. Meetings are televised by Mt. Blue TV and you may view them on Channel 11 if you have Beeline Cable, or on your computer or smartphone as the meeting is occurring, through Mt. Blue TV’s website. At the time of the scheduled meeting, go to www.mtbluetv.org and click on the “Live Stream Channel” link. If you are not able to view the meeting as it is happening, you can click on the “Wilton Selectmen” link and choose the meeting you would like to view.
