Item #1- Commitment of the Tax Rate for 2022-2023 Tax year

Paul Binette, Tax Assessor for John E. O'Donnell & Associates

- Last year per 1000, the tax rate was \$19.40.

-We have three different tax rates to consider. 1. \$19.30/ 2. \$19.40/3. \$19.50.

-The overlay amount is collecting what is over and above to cover the bills.

-On average, Annually and historically, the abatements are a few thousand, never exceeding \$5,000. \$3,000-\$4,000 is considered average.

-The valuation base is 10 million higher than last year. This is due to new homes, some renovations and the CMP substation.

-We have not increased our tax rate for six years. This would make year seven.

Motion by Tiffany/Second by Keith-To Accept and Commit the 2022-2023 Tax Rate to \$19.40. Vote: 4-0

Item #2-Adjournment
