PUBLIC HEARING-CANNABIS MORATORIUM

Tiffany- The Cannabis Moratorium went into effect October 17, 2023 and expires April 14, 2024. It may be extended for 180 days if the municipality adopting the moratorium finds that the problem giving rise to the need for the moratorium still exists and reasonable progress is being made to alleviate the problem giving rise to the need for the moratorium.

At last week's Select Board meeting, we heard from Mike Wells, Chair of the committee, on the progress of the committee in bringing forth a revision to the Cannabis Ordinance. In order to consider extending the moratorium, with the goal of effectively addressing the problems listed in the moratorium, we are gathered this evening for a Public Hearing.

A public hearing is a chance for the public to comment, provide viewpoints, and/or testify on the effects of extending the Cannabis Moratorium. A sign-up sheet is provided at the back of the room, near the entrance to the room.

Members of the public are asked to please sign in to participate in the public hearing. As a reminder, Public Hearings are not a forum for debate or to engage the Select Board or any Town employee in a form of questions or answers.

Open Meeting at 6:02 P.M.

No public comment

Closed Meeting at 6:03P.M.
