

**TOWN OF WILTON
REQUEST FOR QUALIFICATIONS (RFQ)
ENVIRONMENTAL CONSULTING SERVICES
SOURCE WATER PROTECTION WORK IN THE VARNUM POND WATERSHED**

The Town of Wilton is requesting Statements of Qualifications from interested and qualified Consultants for Environmental Consulting Services in order to assist with administration of a Maine Drinking Water Program, Source Water Protection Grant to begin implementing the Varnum Pond Watershed-Based Protection Plan (WBPP).

Varnum Pond is the drinking water supply for the Town of Wilton and North Jay, and the back-up water supply for the Town of Farmington. Varnum Pond is listed on Maine DEP's 2016 Nonpoint Source Priority Watershed List. The WBPP was completed in April 2018 and identified the need for immediate and long-term in-lake monitoring in order to establish a reliable baseline for tracking changes in water quality over time, and ongoing remediation of high priority sites identified during the 2016 watershed survey. (A copy of the WBPP may be requested by emailing: wasw@wiltonmaine.org.)

PURPOSE AND SCOPE OF WORK

The purpose of the project is to build-upon ongoing implementation of Source Water Protection strategies outlined in the 2018 Varnum Pond WBPP. The project schedule is July 10, 2023 – April 30, 2024. The scope of work includes:

- Prepare a 2-sided newsletter for the Town's water/sewer bill mailing with a focus on 2022 SWP outcomes and road projects;
- Prepare a press release about the gravel road project and prepare project updates for the Town of Wilton website and social media outlets;
- Collect monthly in-lake water chemistry samples, and develop an annual monitoring summary report;
- Conduct baseline plankton sampling and prepare a plankton analysis summary;
- Create a Gravel Road Management Plan for Pine Point Road in Temple;
- Work closely with the Town of Wilton, landowners and gravel road contractor to improve 300' of Pine Point Rd.;
- Work closely with the Town of Wilton Code Enforcement officer to conduct follow-up work on the town's septic system database.

RFQ FORMAT

To facilitate review, submissions should conform to the following format:

1. **Experience of the Firm:** Provide a description of your firm's prior experience and qualifications in implementing source water or watershed-based management plans, water quality monitoring, design and oversight of erosion control projects, and grant administration for grants with a cost-share component.
2. **Project Team (Key Staff):** Identify the proposed Project Manager and key project team members and responsibilities. Provide an itemized rate per hour for identified team. Provide a brief resume for each person outlining their credential and experience. Describe your team's experience working in the Varnum Pond watershed.
3. **References:** Provide the name and contact information for at least three (3) references familiar with the quality of work by your team of similar nature as contained in the above Scope of Work.

- 4. Project Understanding:** Provide your general understanding of the watershed, project, and issues regarding the identified project(s). Identify any potential challenges or special concerns that may be encountered, and a proposed schedule of work.

CRITERIA FOR REVIEW OF STATEMENT OF QUALIFICATIONS

The following criteria will be used in screening, ranking and selection of the successful firm:

- 1. Qualifications of the Firm (40 points):** Preference shall be given to those firms with experience in implementing watershed management plans, source water protection strategies, water quality monitoring and grant administration.
- 2. Qualifications of the Project Team (Key Staff) (30 points):** Preference shall be given to those with key staff experience in items listed in the above scope of services and familiarity with the watershed.
- 3. Project Understanding (30 points):** Preference shall be given to those firms which have a comprehensive understanding of the project requirements and environment.

SELECTION OF THE CONSULTANT

It is the intent of the Town to appoint a committee to review the Statements of Qualifications submitted and rank the qualified firms. All unsuccessful firms will be notified in writing no later than 10 days after selection of the Consultant. The Town reserves the right to reject any and all submissions to this RFQ, request clarification, or waive informalities/technicalities, if it is deemed in the best interest of the project. The Town assumes no responsibility for costs incurred in responding to the RFQ.
